From the Office

- Please note: Gorsebrook is a scent-free school. Many students and staff have sensitivities. Please do not use spray deodorants/perfumes while at school.
- The weather is starting to get colder outside. Students will be going outside at lunch and need to dress appropriately for the weather. We plan to go outside up until it is -15 with windchill at which point we will reconsider.
- Scooters will no longer be stored inside the school. **All scooters must now be locked up outside during the school day.** This change helps keep our hallways safe and organized for everyone. Please ensure you have a secure lock to keep your scooter safe. Thank you for your understanding and cooperation with this updated policy!
- We have noticed an increasing number of students arriving to class without supplies (paper, pencils, binder, etc.) A reminder that these items are necessary to support learning. If you require financial assistance to provide your child(ren) with these supplies, please contact Mr. MacPhee at mmaphee@hrce.ca.

From HRCE

Important weather reminders

Did you know? HRCE takes great care when making the decision to alter the regular operations of schools and school busses in the event of severe or inclement weather.

It is HRCE's goal to communicate any changes to the regular operations of schools and/or buses as close to 6:00 a.m. as possible. **A 6:00 a.m. announcement could be:**

- All schools are delayed in opening by two hours and bus pickups are delayed by two hours; or
- All schools are open, but some or all busses are not operating for the day; or
- Some schools (either individually or by family) are closed for the day; or
- All schools are closed for the day.

If weather deteriorates, or is forecasted to worsen throughout the morning, **an 11:00 a.m. announcement could be:**

- Bused students will be picked up two hours earlier than their regular dismissal time; and
- Non-bused students will be dismissed at their regularly scheduled lunch hour.

How will I find out?

- By email to the addresses in PowerSchool
- By text message, **if you have opted-in**. If you aren't sure if you have opted-in, text Y to the following number: **978338**
- On [our website](#)
- On [X \(formerly Twitter\)](#)
- On [Instagram](#)

It's important to always have a plan in place for childcare in the event of any cancellation.

Duke of Edinburgh

First installment payments are now overdue. Please ensure you make payment through [School Cash Online](#) as soon as possible to ensure student access to the Online Record Book. Stay tuned for a parent meeting to take place in the upcoming weeks.

Volunteer Opportunities

As an ongoing effort to support our Grade 9 students in meeting their community service requirements for their Duke of Edinburgh Award, we are inviting anyone who knows of any volunteer opportunities for students to fulfill their Duke of Edinburgh Award requirements, to please share the organization and/or contact person information with Nicole Conrad (nconrad@hrce.ca) at any time. She will help to connect students with the relevant coordinators. Your support is greatly appreciated.

From the Math Department

Caribou Math Contest

Any students interested in participating in the next Caribou Math Contest January 15th or 16th should see Ms. Nicholl in room 216 to sign up before **January 10th**.

The EECD [Homework Hub](#) is a valuable mathematics resource for students in grades 7 to 12. Students can access live tutors on Sunday to Thursday evenings from 5:30 to 9:30 pm. These tutors are certified teachers who can tutor any mathematics course in both English and French. In addition to tutoring, students can access electronic textbooks, tutorial videos and practice problems any time of day. Please watch the following EECD video introduction to the homework hub: <https://www.youtube.com/watch?v=QnORoA5E7i4>. If you have any questions regarding Homework Hub please contact your child's mathematics teacher.

From the Library

If students currently have overdue library books they wish to have for longer, please let Ms. Maley know in the library. If students have library books they no longer wish to have please return them to either Ms. Maley or the library return bin in the office. Thank you!

From the Phys. Ed Department

A Huge Thank You!

We are incredibly grateful to everyone who donated sneakers for our sneaker bank! Thanks to your generosity, we

now have a great range of sizes and, for the time being, no additional donations are needed. These extra shoes not only keep forgetful feet moving but are also available to support families who might need a little help keeping up with growing kids.

A Clean Gym is a Happy Gym

January in Nova Scotia is a combination of rain, snow, and icy weather. This means the outdoor environment will alter between muddy fields and salty streets. This month also brings our Dance & Culture Unit. Students will spend time on their feet and on the floor. Please ensure that your child/children bring indoor shoes to school; it's no fun for anyone to roll around in the dirt. Let's keep our gym space clean and comfortable for everyone!

[From the Tech Ed. Department](#)

Donation Request

Do you have any unused wooden picture or photo frames (8x10 or larger) lying around? We would love to upcycle them into looms for our Textile Arts projects! If you'd like to donate, please send them to Mme. Gould in Room 101. Thank you for supporting our creative endeavors!
