Vice Principal: Kelsey Johnston

School Counsellor : Mary Mallon

## School Supply List (Grade 7-9)

- Pencil case containing pencils, pens, glue stick, small ruler, eraser, highlighter
- 1 Large binder or 5 small binders, dividers, and loose leaf
- Calculator with square root, fractions, and exponents
- Coloured pencils or markers
- 3 Hilroy (or similar) scribblers
- Gym sneakers and comfortable/breathable clothes required for Physical Education class.
- After our first year implementing the Provincial Cell Phone Policy, we've noticed that many students benefit from having a **personal agenda** or **planner** to help keep track of classwork, homework, and important due dates. We recommend that students purchase one for the school year.
- There will be a **\$10 student fee** for the upcoming school year, payable through **School Cash Online**. More information will be shared in September.

*Please note: Individual teachers and subject areas may possibly require a particular item and students will be informed of this at the start of the year.*
