August 12th, 2020

Dear Parents and Guardians,

My name is Mark MacPhee and I am very pleased to be the incoming principal at Gorsebrook Junior High. I look forward to working with the students, staff, parents and community as the school year begins and into the future.

As school re-opening plans are available, you will be receiving communication directly from the HRCE about regional decisions, as well as from Ms. Ferguson and myself regarding school level decisions. We realize this is an anxious time for all involved as there are many uncertainties as we navigate a new normal with many changes to school routines and expectations of students, staff and parents. I would encourage us all to work together and support one and other during this uncertain time.

As more information becomes available, we will be in touch. Please feel free to reach out to Ms. Ferguson or myself with the understanding we may not yet have the answers to your questions. We officially return to work on August 24th and communication will become more frequent at that time.

Yours in the spirit of learning and community,

Mark MacPhee
Principal
