<p>FRIDAY</p> 	<ul style="list-style-type: none"> • Assessment & Evaluation Day - no classes

Upcoming Dates

November 30 - Report cards home
 December 1 - PTA meeting via Google Meet - 7:00 pm
 December 3 - No school (PD morning for staff & parent-teacher afternoon - **see below for info on our parent teacher set up this term**)

From the Office

- Please note, Gorsebrook is a scent-free school. Many students and staff have sensitivities. Please do not use spray deodorants/perfumes while at school.
- Parents, guardians and visitors who are coming to the school are reminded they must call ahead or ring the doorbell. Someone will come assist you, but you are unable to enter the building.
- In an effort to ensure we have accurate and updated information for all our students, we ask that parents and guardians contact the main office if there are changes to home/cell phone numbers, home address, email address and health card expiry dates. Thank you in advance!

GORSEBROOK JUNIOR HIGH COMMUNITY MEMO

THIS WEEK AT GORSEBROOK: Nov. 16-20, 2020

[*Please read below the week's events for more school-related info*](#)

- If your child is going to be absent or late, please call our Safe Arrival line @ 902-421-2687. **This line is open 24 hours to leave a message**. Additionally, if your child has an appointment during the school day, parents and guardians must contact the school to let us know. Students must always sign out at the main office before leaving the building during regular school hours.
- Energy drinks are not permitted in school. Please note, some drink flavours, such as Mio, may contain high amounts of caffeine, and are not permitted either. Thank you for your support in ensuring these types of beverages are not consumed during the school day.
- Please note that cell phone usage **is not** permitted during class time. It would be greatly appreciated if this could be reinforced at home. As you know, they can be a great source of distraction when not being used for educational purposes. If students have cell phones, they are to stay in their backpacks, on silent, or powered off. Students who do not follow these expectations can lose their phones for the remainder of the day.
- **Intimate Images and Cyber-protection:**

The rapid growth of smart phones, social media and the anonymity of the online world has created increasing opportunity for cyberbullying and the unwanted sharing of intimate images. The impacts of these behaviours can be devastating for victims. Supports are available. For more information please visit novascotia.ca/cyberscan . If you believe your child is a victim of cyberbullying, or that an intimate image of them was shared without their consent, call CyberScan at 902-424-6990 or toll free at 855-702-8324.

[Parent Teacher Interviews](#)

Parent teacher interviews will look different this year as we follow Covid protocols. We are unable to have in person meetings. Teachers will be sending communication home in the coming days regarding their set up for communicating with parents/guardians during the week of November 30. Please look out for this communication and please be sure to check your junk mail folders in case it lands there.

[Lates](#)

The school year is up and running and we are asking that students ensure they are arriving on time both in the morning and after lunch. We realize that lates are sometimes necessary for appointments and the odd traffic snag, and if this is the case, please let the main office know. Setting these good habits early on helps to ensure maximum learning time. Line ups to sign in at the main office are getting longer and students are missing instructional time. We appreciate your support with this.

[Mental Health Awareness Club](#)

New Mental Health Awareness club starting! Join us at lunch on Monday in the Foods lab downstairs to discuss how students can help be part of mental health initiatives at Gorsebrook including planning a Mental Health Awareness week in the spring. Bring lunch and your ideas. Everyone welcome!

[Colder Weather](#)

Please remind your children to wear warmer clothes, including hats and mitts/gloves. As long as it is not raining out, or extreme conditions, students are expected to be outside for a portion of their lunch break. Winter in Nova Scotia can bring a lot of variety to our weather, so we ask students to be prepared.

[From the Math Department](#)

Students are reminded to have their own calculators for Math class. The use of cell phone calculators are not permitted.

The EECD [Homework Hub](#) is a valuable mathematics resource for students in grades 7 to 12. Students can access live tutors on Sunday to Thursday evenings from 5:30 to 9:30 pm. These tutors are certified teachers who can tutor any mathematics course in both English and French. In addition to tutoring, students can access

GORSEBROOK JUNIOR HIGH COMMUNITY MEMO

THIS WEEK AT GORSEBROOK: Nov. 16-20, 2020

[*Please read below the week's events for more school-related info](#)

electronic textbooks, tutorial videos and practice problems any time of day. Please watch the following EECD video introduction to the homework hub: <https://www.youtube.com/watch?v=QnORoA5E7i4>. If you have any questions regarding Homework Hub please contact your child's mathematics teacher.

[Parent Navigators](#)

For information on the HRCE's Parent Navigator program, please click here:
<https://create.piktochart.com/output/50338546-parent-navigator-info>

[Makerspace Grant!](#)

Ms Baker & Mme Jang were successful in their grant application to receive a Makerspace cart for our school. This will be a wonderful infusion into their Tech Ed program!

[From the Library](#)

Mrs. McManus is in the library for borrowing purposes on Wednesdays & Thursdays.

This week all students should:

- Log onto the library catalog and check their loans
- Complete the survey on the library website
- Return overdue books to the office

Reminder to all students to have their book requests in by noon on Thursdays for the best chance to receive their books THAT WEEK.

There is a new survey available on the Library Website: Who is the BEST Marvel Character?

Visit the Gorsebrook Virtual Library from the school website:
<https://sites.google.com/gnspes.ca/gbjhvirtuallibrary>

Contact Library Support Specialist Mrs. S. McManus at smcmanus@hrce.ca
