Upcoming Dates

June 29 - Assessment and Evaluation Day - no classes for students
 June 30 - Last day of school - students dismissed at 10am (report cards will be emailed home)

Breakfast Club Update

We are coming to the end of our breakfast club foods. We will likely have enough up until mid week. If a child is ever in need though, please do not hesitate to reach out to the main office. We will ensure they have something to eat.

Textbook Return

Please ensure all textbooks are returned to your teachers, along with any other materials that may have been loaned out by the school. Textbooks are costly and do come with a replacement fee.

GORSEBROOK JUNIOR HIGH COMMUNITY MEMO

THIS WEEK AT GORSEBROOK: June 21-25, 2021

[*Please read below the week's events for more school-related info ☺](#)

Lates

We are asking that students ensure they are arriving on time both in the morning and after lunch. We realize that lates are sometimes necessary for appointments and the odd traffic snag, and if this is the case, please let the main office know. Setting these good habits early on helps to ensure maximum learning time. Line ups to sign in at the main office are getting longer and students are missing instructional time. We appreciate your support with this.

IBM Steam Camp Opportunity

IBM STEM for Girls Program is pleased to collaborate with Industry Partners (ATCO, Telus, Fortinet, Palo Alto Networks and Security and others), to provide students with an opportunity to participate in STEAM activities. The goal is to help build students' confidence and expand their knowledge around the STEAM (Science, Technology, Engineering, Arts and Math) field through fun and engaging workshops.

Sessions will take place through a FREE virtual National STEAM Summer camp, which will be hosted on WebEx for the week of July 19th-23rd. Each day will dedicate a few hours in which IBM and other partners will facilitate interactive activities such as: digital art, building chatbots, creative technical writing, cyber security, making ice cream, and lots more. All students, entering grades 7-12, will have the option to choose from a variety of sessions and will be able to choose to attend as many as they would like. Each activity will have recommended ages and supplies required (where applicable).

For more details, including how to register, see [this flyer](#). Feel free to share this opportunity with your students. Parents of interested students may also be directed to this [parent guide to privacy](#) for reference.

From the Phys. Ed. Department

Changing seasons means changing outdoor gear! Students will continue to take advantage of outdoor time for Phys Ed classes and with the warmer weather approaching, we remind students to plan for the sun by wearing hats and/or sunscreen to avoid over exposure to the sun.

From the Office

- Please note, Gorsebrook is a scent-free school. Many students and staff have sensitivities. Please do not use spray deodorants/perfumes while at school.
- Parents, guardians and visitors who are coming to the school are reminded they must call ahead or ring the doorbell. Someone will come assist you, but you are unable to enter the building.
- In an effort to ensure we have accurate and updated information for all our students, we ask that parents and guardians contact the main office if there are changes to home/cell phone numbers, home address, email address and health card expiry dates. Thank you in advance!
- If your child is going to be absent or late, please call our Safe Arrival line @ 902-421-6758 and press 1. **This line is open 24 hours to leave a message.** Additionally, if your child has an appointment during the school day, parents and guardians must contact the school to let us know. Students must always sign out at the main office before leaving the building during regular school hours.

[From the Math Department](#)

The EECD [Homework Hub](#) is a valuable mathematics resource for students in grades 7 to 12. Students can access live tutors on Sunday to Thursday evenings from 5:30 to 9:30 pm. These tutors are certified teachers who can tutor any mathematics course in both English and French. In addition to tutoring, students can access

electronic textbooks, tutorial videos and practice problems any time of day. Please watch the following EECD video introduction to the homework hub: <https://www.youtube.com/watch?v=QnORoA5E7i4>. If you have any questions regarding Homework Hub please contact your child's mathematics teacher.

[SchoolsPlus staff are here to support Gorsebrook families](#)

[We can:](#)

- Help get answers to your questions.
- Connect you with services that can make a difference for your family.
- Help you fill out forms.
- Help you apply for funding (to help pay for things like recreation programs or eyeglasses).
- Support you during a stressful time.
- Help you get ready for a meeting with a school, agency, landlord, etc. We'll help you feel prepared and have a voice.

[SchoolsPlus services are confidential.](#)

[Yes, we can still do all this during COVID-19. Just give us a call! ...keep scrolling for contact info:](#)

[Contact your SchoolsPlus Community Outreach Worker \(Laura Hutt\) and Assistant Leader \(Alicia Barrett\) at: 902-399-8317 \(phone or text\) or \[alicia.barrett@hrce.ca\]\(mailto:alicia.barrett@hrce.ca\).](#)
